

Spring Term Newsletter

Welcome back to all our children, we hope you had a good Christmas and new year, thank you for all our lovely cards and gifts.

We have had many new children start this term and they seem to be settling in well but if you have any concerns please speak to your child's key worker.

We have also had two new members of staff join our team, Sheryce joined us towards the end of last term and Katie joined us on the first day of term.

A big thanks to all of you for helping and supporting us in our fundraising last term, we raised a total of £312.60, with the raffle being a great success. We will be looking at purchasing some new resources for playgroup, we hope the children will enjoy telling you all about them. Fund raising will continue this term, with further information to come.

Those of you with children due to start school in September 2020 should now have applied for your child's place, please could you keep us updated, letting us know when you receive confirmation in April to enable us to begin transitions and communications with your child's school.

Please can we remind you that toys are not allowed to be brought into playgroup, this is because these can be lost, broken or cause upset. Children's comforts can be brought in and left in the child's bag for when needed, please let your key worker know these are there.

To enable the children to play outside comfortably in all weathers please provide your child with a named pair of wellies, coat, hat and gloves each session. Wellies can be left in our welly box!

Can you please ensure that you update us of any changes of information in regards to your contact details or child?

Funding forms will be completed this week, once signed changes cannot be made to your child's hours until April 2020, please ensure you advise of any changes asap to your child's sessions as spaces are now limited.

Upcoming dates for your diary

Friday 7th February CLOSED for PD Day
